

Living in the Divine Will

“On Earth as it is in Heaven”

The Sole Purpose Of Creation

Find out 10/11th October at Suzanne Aubert Catholic School

60 Montiicola Drive, Papamoa Beach, Tauranga

It can be called “The Gospel of the Kingdom of the Divine Will”. In nothing does It oppose either Sacred Scriptures or the Gospel that I announced while being on earth; on the contrary, It can be called the support of one and of the other. By laying down your human ways and acting in divine ways little by little I will make My way, manifesting now one truth, now another, about this living in My Will, so that you will end up understanding the immensity of operating in my Divine Will here on earth.
